Group RCI and ROG Announce Exclusive Affiliation Agreement

**More Vacation Options for Owners
Value Added Selling Feature for ROG Developer Partners**

Group RCI, the global leader in vacation exchange, the European leader in vacation rentals and one of the Wyndham Worldwide family of companies (NYSE: WYN), today announced an exclusive affiliation agreement with Resort Owners Group (ROG), a leisure real estate company that offers asset-managed, rentable, resort vacation homes in premier destinations.

“We are very pleased to sign this affiliation agreement with Resort Owners Group, said Geoff Ballotti, president and CEO, Group RCI. “Owners at ROG’s affiliated resorts will greatly benefit from the services and benefits we provide through our unsurpassed global vacation exchange networks.”

ROG resort owners will be able to participate in The Registry Collection program, the world’s largest luxury exchange program or RCI Weeks, RCI’s traditional week-for-week exchange program, giving them access to over 4,000 affiliated resorts world wide. A resort’s quality qualifications will determine which benefits the owners will be able to enjoy.

Gary Carter, CEO of Resort Owners Group, said “ROG has developed the most complete sales and marketing ownership solution for quality independent developers, ‘The ROG Model’, making resort vacation homes more affordable, more saleable and more exchangeable. A variety of flexible options include ROG’s fractional ownership, ROG’s Private Residence Club, ROG’s Premium Whole Ownership and ROG’s new BuyWithFriends option which combines the best of whole and fractional ownership. Our affiliation with RCI now provides our owners with even more vacation options and a great value added selling feature for ROG developer partners”.

As part of ROG’s affiliation with Group RCI, the company will also be able to leverage Endless Vacation Rentals, Group RCI’s direct to consumer vacation rental business. For more information on Endless Vacation Rentals, see www.EVRentals.com.
